About Bay South

Bay South is a locally owned family restaurant.

The owners Dan & Kim Adams strongly believe in the community and the importance of family and friends. They, along with staff appreciate your patronage and share a goal to bring great food, service and atmosphere with the best of local flair. The name "Bay South" came about in viewing old historical maps of the area. We have a map displayed in the restaurant and you will notice we are located in the "South" end area of Bulloch County called "Bulloch Bay". Again, we appreciate you and hope to serve your family and friends for many years.
